If you can help please email or text Vicki on 027 577 7656 before the day.

Transport is needed to get our 79 students to and from Canvastown. Everyone is most welcome to come for any / all of the day. Indeed the Open is an event that simply begs parents to participate along with their children and other Pelorus pupils - it's only 2km.

Children need

- Refillable water bottles, plenty of food particularly healthy snacks for between races.
- Students are required to wear their blue school shirt¹, black shorts and suitable footwear (older rather than newer) for cross-country running. Warm outer clothing will be required.
- A towel and spare pair of socks might also be useful following the events.

Please note

- No food and drink may be bought from the Trout Hotel
- Available for purchase at Canvastown Hall...
 - BBQ sausages/onions \$2.00, Creamed lamingtons \$1.50
 - Please note – NO juice but flavoured fruit drops are available to add to children's drink bottles if desired
- Tea and coffee is available for adults at the hall. Help yourself.
- Water available at the hall - own water bottle required.
- There is no concrete area to sit on so it would be advisable to bring a ground sheet and camp chair/s.
- Toilets are in the hall and there are also public toilets beside the hall.

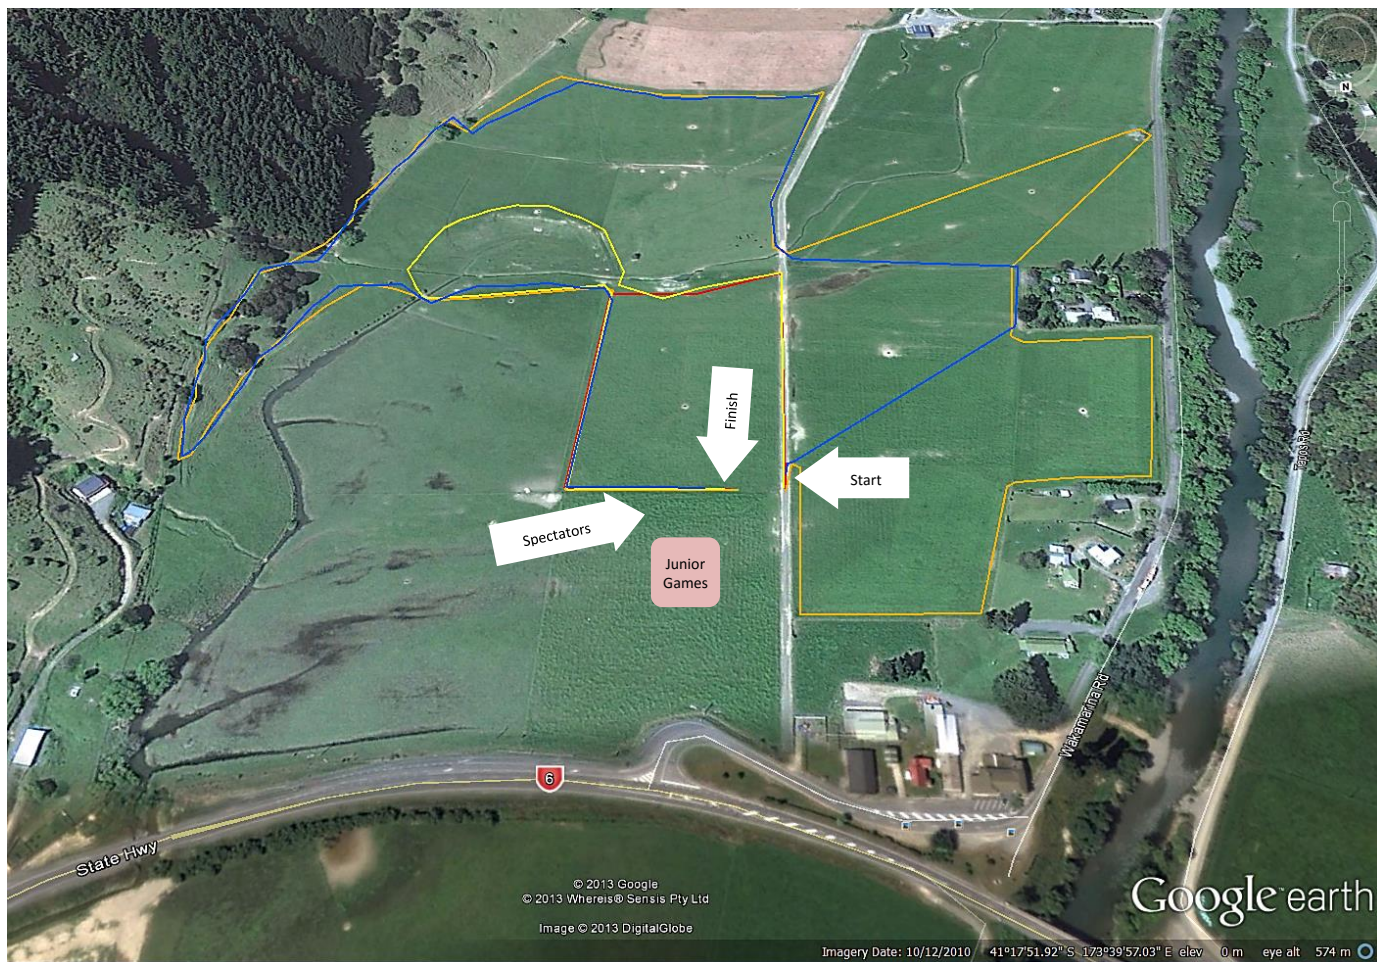

Timetable - times are approximate but the aim is to be on time as much as possible

Courses

1 Clothing Requirements

Blue school shirts are not available for loan. Parents/caregivers whose child/ren might not yet have one, may arrange through the office to purchase one.

Black shorts also form part of the sports uniform required for these interschool events.

Older, well-worn gym shoes would be a great choice for children to wear whilst running the course. An alternate/drier pair would also be a great idea. Clearly warmer outer clothing will also be necessary on the day.

Transport Slip

Please complete the slip attached if you can help with taking students to/from Canvastown. As always your support is appreciated. Please remember you are most welcome to participate in the Canvastown Open. Don't forget about a ground sheet and camp chair/s... and warm clothing. Gumboots seem also to be a popular item.

Please return the transport slip to the school office on/by Tuesday 9 August.
